

Oldies 101.9~Coors Light "Blast on the Bridge at Geist" 4th of July Celebration Sponsored by Eddy's

It's fireworks time, but it is a whole new show by the Geist Lake Coalition!

The 2009 July 4th Annual Fireworks Celebration will be a major turning point in expanding our event into a very special family oriented spectacle. We are moving the fireworks display to a more central location on the Geist Reservoir, just south of the Fall Creek Bridge at the Marina. The Fall Creek Bridge will be blocked off in its entirety the evening of July 4th for spectator viewing starting at 7:30PM!

Coors Light/Eddy's Neighborhood Bar & Grill are our primary event sponsors and Oldie's 101.9 is our radio sponsor and will be on site at the Geist Marina broadcasting starting at 3:30PM, as well as a music simulcast timed to the fireworks display at dusk. The Geist Harbours Property Owners Association (GHPOA), Bella Vita Ristorante, Marina Limited Partnership, Repro Graphics, Obsidian Enterprises, Ritron, atGeist.com, Indianapolis Yacht Club, N3 Boats, Indianapolis Sailing Club, Indy Magazine and many more local businesses will be continuing their sponsorship. Our greatest source of pride for event sponsors continues to be local residents that always rally with their contributions that make up a full 50% our funding each year. Partial list of sponsors is on the backside of this letter (For a complete list of early 2009 and past 2008 event sponsors please go to: www.geistlake.org for detail).

Now for even more good stuff! Earlier in the evening we will kick off our first Annual Boat Parade starting at 6:30PM culminating at the Fall Creek Bridge for judging at 7:30PM. This will be a fun family oriented feature where we will have prizes for the best decorated boats. The theme is red, white and blue. We want to encourage everyone to decorate your boats with lights. First Place is a Traveling Trophy and a choice of a 2010 Dock Slip, or Winter Storage courtesy of the Geist Marina. Second Place is a very special Ski Nautique Rocking Chair donated by N3 Boats, Third Place from Indianapolis Yacht Club is an Intro Package for a Geist Lake Tour and Dinner for two at the IYC. Entry forms available at the Eddy's and the Geist Marina Showroom.

There will be a Wakeboard Show starting at 8:00PM on the North side of the Fall Creek Bridge. Food and beverage vendors will be on site as well. Free event parking at Holy Spirit at Geist Parish is available with shuttle buses to the Geist Marina starting at 7:15PM. Security and medical assistance on site too.

This fireworks show is completely sponsored by contributions from our generous residents and local businesses and is organized by the Geist Lake Coalition www.geistlake.org Please jump in and help support this great community event. Please pass the word for contributions, participation and volunteering. Yes, we need volunteers!

The Geist Lake Coalition (www.geistlake.org) is a 100% volunteer based organization that is committed to making a difference in our Geist Lake community. Our organization funded the purchase of the Fisher's Fire Department's Fire and Rescue Boat and directly spawned the creation of the Geist/Fall Creek Watershed Alliance (GWA) www.geistwatershed.com. The GWA is focused on improving water quality and best practices on our lake and in the entire watershed area. We recently received a significant grant to study our current algae problem. Thank you again for your support.

Please become a sponsor of the 2009 Fireworks on Geist Lake!

WE NEED YOUR HELP! Show size is directly proportionate to the level of contributions!
